DOCKET IN BOTH CASES

Dear Judge Francis:

Defendants write to request an additional enlargement of time in which to response to plaintiffs' March 14, 2007 letter seeking an order to compel defendants to comply with plaintiffs' request to make forensic copies of certain TARU videos. Based on the Court's previous enlargement of the briefing schedule defendants' opposition letter is due on or before April 13, 2007 and plaintiffs' reply on or before April 27, 2007. Defendants are endeavoring to resolve this issue without the need for judicial intervention.

Adams, et al. v. City of New York, et al. 05-CV-9484 (KMK)(JCF)

Accordingly, defendants request an additional one week adjournment of the current briefing schedule, which would make defendants' responsive letter due on or before April 20, 2007 and plaintiffs' reply due on or before May 4, 2007. Plaintiffs' counsel, Michael L. Spiegel has consented to this adjournment. If this meets with your approval, would you kindly "so order" it. Thank you.

Respectfully submitted,

Jeffrey A. Dougherty
